

Bequests to Cincinnati Children's Hospital Medical Center

Many grateful families, former patients, friends, CCHMC employees and retirees have provided for Cincinnati Children's Hospital Medical Center as part of their estate. Bequests enable the medical center to provide the best possible care for the children we serve, expand clinical and research programs and endow key faculty positions.

Suggested Language for Bequests

"I give, devise and bequeath \$_____ or _____ % of my estate to the Cincinnati Children's Hospital Medical Center, an Ohio nonprofit corporation, to be used at the discretion of the Cincinnati Children's Hospital Medical Center Board of Trustees."

Should you wish to designate your gift for a specific purpose, we strongly recommend that you contact us to discuss the restriction to make sure that we are able to honor your intentions. Restricted gifts should include the following language:

"If at some future date, circumstances at Cincinnati Children's Hospital Medical Center should change so that the uses and purposes for which these funds have been designated are no longer possible or permissible or are in conflict with the policies of the Board of Trustees, then the Board of Trustees may, at its sole discretion, determine the permissible use most closely related to that identified by the testator and consistent with the testator's general interests and charitable intent in supporting the Cincinnati Children's Hospital Medical Center."

The [William Cooper Procter Society](#) recognizes and honors friends of Cincinnati Children's Hospital Medical Center who inform us of their intention to invest in the future of the medical center through planned estate gifts (wills and trusts) or other deferred gift arrangements, such as charitable trusts, gift of real property by deed, life insurance, retirement assets via beneficiary designation, etc.

[Click here](#) to view the enrollment form for the William Cooper Procter Society. Providing this information allows Cincinnati Children's to ensure the gift will be able to be used according to the donor's instructions, as well as to acknowledge and to express our appreciation for supporting Cincinnati Children's in our mission to be the leader in improving child health.
